

## ARTIST VOLUNTEER SIGNUP FORM FOR JUDGE BRUNNER'S CAMPAIGN PROJECT "JUSTICE FOR THE PEOPLE"

Judge Jennifer Brunner's campaign for Justice of the Ohio Supreme Court is undertaking a grassroots project, called "Justice for the People"—a project where individuals are asked to send in to Judge Brunner's campaign their thoughts and ideas, and things that reflect their hopes, history and heritage about Ohio.

By signing up as a volunteer artist for this project you are volunteering to use the objects the campaign provides you about Ohio's history and heritage and written words of Ohioans about their hopes, history and heritage and make a themed artistic creation with them. We know there are expenses in creating art. We may be able to pay some receipted expenses. When your creation is complete you agree to release it to us to include it in a statewide exhibition and additional exhibitions we may hold throughout the state of Ohio. We plan to sell your work and ask that you give us a suggested price for it. You will be invited to our exhibitions and we may sell your work at one of our exhibitions to benefit Judge Brunner's campaign. Any sold work or reimbursed expense requires us to list you on our campaign report as an inkind contributor for the amount we sell it for and also for any reimbursement we make to you.

Completed projects will be featured on Judge Brunner's website. We'll hold a statewide exhibition of the works and even bring some to local areas in Ohio. Judge Brunner's supporters can vote on and even purchase their favorites at our exhibitions.

Ohio is a great state and the best is yet to come. When we honor and raise up our people, we make Ohio better and create great hope for our shared future—a future that is bright with every small spark of creativity from its many special people. So let's get started! **Yes, I want to participate as a volunteer artist for the Jennifer Brunner Committee's "Justice for the People" grassroots project and I understand and agree to the terms for participating.**
